ABOUT ME

Passionate and results-driven skin therapist with over 12 years of experience in advanced skincare and machine-based treatments. Trained under licensed physicians and certified by global skincare brands, I specialize in delivering customized facial protocols, non-invasive rejuvenation treatments, and mesotherapy. I'm committed to helping clients achieve visible, lasting results through professional consultation, effective treatments, and continuous aftercare. Currently operating my own salon, I'm seeking to grow professionally in a leading Dubai clinic environment.
